## our values

### Theology:

- Biblically Orthodox. ReSource is grounded in a generous and adventurous orthodoxy, founded on the scriptures and expressed in the church's historic creeds.
- Trinitarian. ReSource rejoices in the work of the Holy Spirit in the context of the animated connectedness, community and mission of the Holy Trinity.
- Kingdom Building. ReSource seeks to engage with the Holy Spirit as He brings God's Kingdom in human lives, in the church and across the face of the creation.
- Church Affirming. ReSource seeks the renewal of the church in the power of the Holy Spirit, as a foretaste and agent of the Kingdom of God.

### Approach to Ministry:

- Serve across Traditions. ReSource serves the breadth of the church across its traditions and denominations, expressions and sizes.
- Committed to Diversity. ReSource serves the church as, itself, a part of the Body of Christ, committed to the diversity of the church and the church cultures that the Holy Spirit inspires.
- Affirm the Small and the Local. ReSource has a heart for small and mid-size churches which constitute the majority of churches in the mainstream denominations and whose renewal will enhance the health and impact of the church in the nation.
- Listen from Alongside. ReSource listens carefully to those with whom it works, respects the local history, context and distinctives wherever it works, and journeys with local churches and their leaders in supportive and prophetic partnership.
- Work in partnership. ReSource builds strong and mutually supportive partnerships with those who share its vision, and have complementary specialisms, giftings and callings.

### Reliance on the Holy Spirit:

- Keep in step with the Spirit. ReSource can only do its work by keeping in step with the Holy Spirit and by maintaining a close dependence on the Spirit.
